CHAIR & HOST
Chair, WAVO Global Education Hub

FEATURED SPEAKER

Dr Josh Ng
Real estate professional, educator and author

This webinar examines green real estate from a valuation and stakeholder perspective. It focuses on how sustainability costs and benefits are shared, how green premiums and brown discounts may emerge, and how valuers can assess whether sustainability features are genuinely reflected in market evidence.

Join us for our upcoming webinar, where we will explore

- How sustainability costs and benefits are shared
- How green premiums and brown discounts may emerge
- How valuers can assess whether sustainability features are reflected in market evidence
